ELEVATE *Your Celebration*

By ANNA ZNAMENSKY

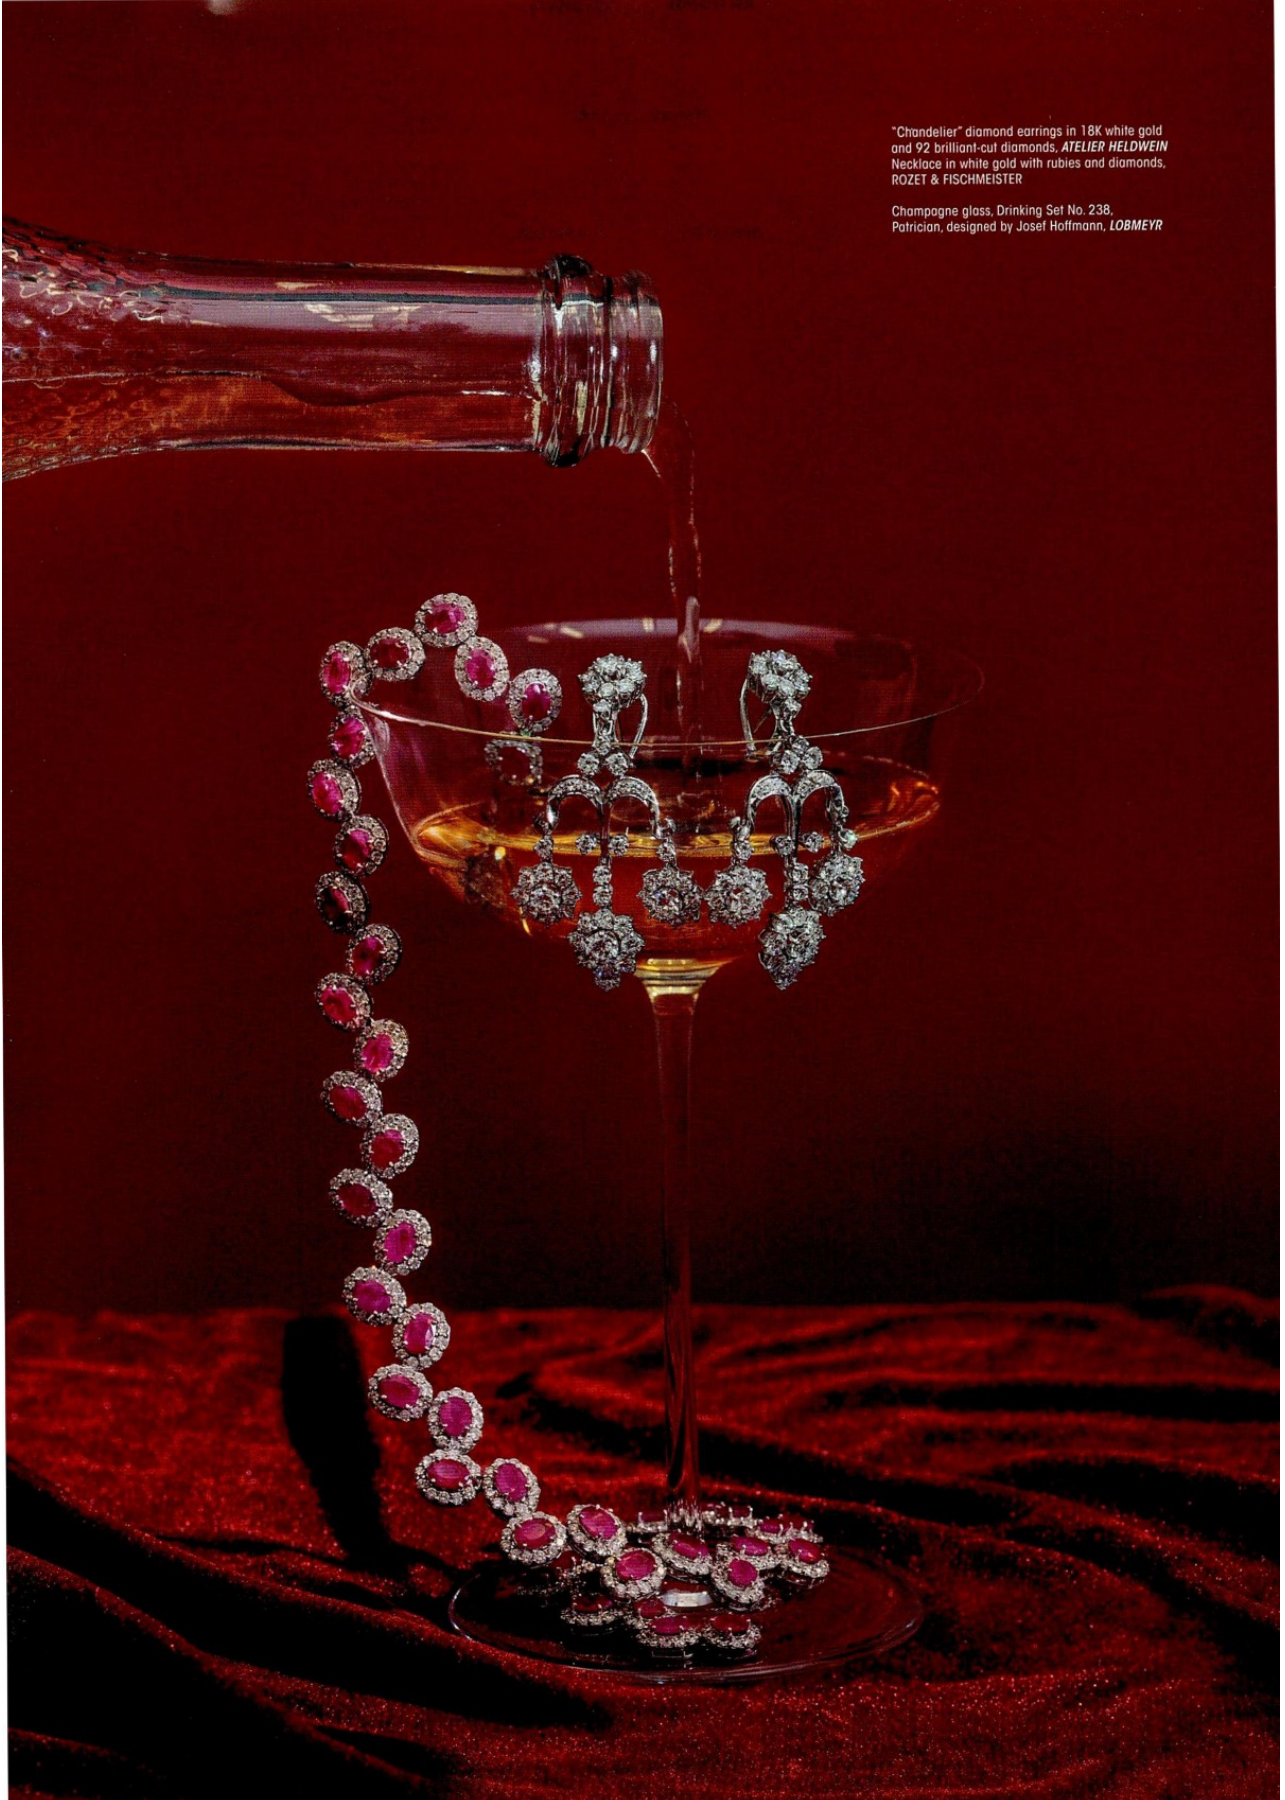

Elevate your celebrations with Lobmeyr's Drinking Set No.238 – “Patrician”, a timeless testament to the impeccable craftsmanship of Josef Hoffmann. Boasting perfectly flowing contours, these muslin glass pieces, originating in 1917, emerge as a true classic. Mouth-blown in wooden moulds, each glass exudes an elegant and balanced silhouette, crafted from fine muslin glass. With 19 available shapes, the collection provides a variety of options, and the champagne cup emerges as a standout favourite. Born from the collaboration of artists from the “Wiener Werkstätten”, this glass series embodies remarkable designs, symbolising perfect elegance and enduring style. Bring a festive touch to any celebration this season with this exquisite glassware, blending tradition and sophistication in every sip.
